The Container Weight Declaration (CWD) is a statutory requirement for all container movements (Full or Empty) and should be received by FPH Farview Developments no later than the day prior to the scheduled movement.

I hereby declare that there are no loose items/objects on top of the container and it is safe for loading / transport.

FPH Farview Developments is not responsible for the accuracy of the information provided on the Container Weight Declaration (CWD). It is the sole responsibility of the person making the declaration for the accuracy of the weight provided on this CWD.

**RE MOVEMENT OF LOADED CONTAINERS**

1. The customer is aware that the container is to be loaded and secured by the transport driver and agrees that the goods are stored and moved at the sole risk and responsibility of the customer.
2. The customer understands it is their responsibility to pack and secure goods in the container and to lock and secure the container.
3. The customer is aware that the container will be moved with a tilt tray and will be winched up and slid off at an angle by the tow vehicle.
4. The customer acknowledges that FPH Farview Developments will not be liable for any loss or damage to the goods stored in the said container while in transit, loading and unloading.
5. The customer understands that the transport driver is to load and unload the container from the tilt tray only and is not in any way obliged to load goods into or secure goods inside the container in any way.
6. The customer understands that if they have supplied inaccurate information on the Container Weight Declaration, they will be liable for all monetary encumbrances incurred due to a result of this action.
